

UPS Electronic Return Label: View/Print Label

1. **Ensure that there are no other tracking labels attached to your shipment.**
2. **Fold the printed label at the dotted line.** Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label. Take care not to cover any seams or closures.
3. **Shipments must be dropped off at a UPS Access Point™ location.**
 - o Visit the [UPS Global Locator](#) to find a location near you. To view all options, select UPS Access Point™ under Location Type. Parcels not dropped off at a UPS Access Point™ location may incur additional costs and/or transit time.
